MOUNTAIN VIEW MESSENGER

OCTOBER 2018

a people of God, learning to love like Jesus

TOM BODETT, MOUNTAIN VIEW, AND OUR COMMITMENT SUNDAY

Do you remember Tom Bodett? Tom was born in Illinois and spent some time in Michigan before moving to Alaska in 1976 where he built houses while contributing to *All Things Considered* on National Public Radio. Then one day, someone heard Tom on the radio and hired him to record a commercial for *Motel 6*. According to one source, Tom *ad-libbed* the famous line "I'm Tom Bodett...and we'll leave the light on for you." As you know, the rest is history! Tom's been delivering that line now for over thirty years.

No matter what you may think of *Motel 6*, there's something comforting about the thought that someone, somewhere, will leave a light on for us as we're traveling life's busy byway. I believe that Someone is Jesus Christ and that somewhere is his church. In John 8:12, Jesus said, "I am the light of the world." And then in Matthew 5:14 Jesus said, "You are the light of the world, (too)." He is the light and we are as well!

It should come as no surprise that there are a lot of bright spots in the world today, and we should never forget it. After all, if Jesus made the world then something of his glow should ever hover over it. But there are a lot of dark patches, too, as the TV, the radio, and the internet remind us. I, for one, am glad Mountain View exists to keep the light on in our community. Every Sunday and through the week we keep the light of faith, hope, and love glowing in Woodland Park. And that light will only glow as long and as brightly as each of us gives our time, talent, and treasure to keep the flame alive.

October 14 is Commitment Sunday. It's a time for us to thank God for the gift of Light and to commit ourselves to the wonderful task of glowing with a warm welcome in the midst of our world's darkness. Each of us will be given an opportunity to make some commitment to the devotion, worship, compassion, justice, and generosity that keeps the light bright at Mountain View. How will you give? Please think about that when you receive your commitment card in the mail this week, and come prepared on October 14 to register your commitment. With your help and God's blessing, Mountain View will always be a place where "we keep the light on" for all God's children! Amen.

**STEWARDSHIP EMPHASIS:
GIVING FOR LIFE – LOVING LIKE JESUS!**

We are more than halfway through our annual Stewardship Emphasis. This year's theme is "Giving for Life – Loving Like Jesus!" Through this theme we are revisiting our mission statement to "making disciples who love like Jesus" and seeing afresh how we can love God and neighbor as Jesus did through devotional practices, corporate worship, acts of compassion, deeds of justice, and a life of generous giving!

The logo for this year's emphasis is the Giving Tree. As we look at the Giving Tree we see the soil, the trunk, the branches, and the fruit of our loving Christian discipleship. Devotion forms the soil where our discipleship takes root in love for God. Worship is the trunk that lifts us up toward God and brings us closer to him. Compassion forms the branches that reach out to shade the world. Justice is the fruit of our labor as we endeavor to make a more just world where the love of God reigns. Finally, Giving is the energy behind all our many efforts. Through our generous giving we release the resources needed for the devotion, worship, compassion and justice that reflect our love for God and neighbor! And so, as we give ourselves in these ways, our church becomes like the tree of life described in Revelation 22:2 – a Giving Tree – a tree whose leaves bring healing to the nations!

Plan now to attend all of these special services and to participate in the other activities organized by our Stewardship Team. And be sure not to miss our Commitment Sunday on October 14 where each of us will be given opportunity to register our commitment for the coming year. Let's give to grow the tree of life at Mountain View! Amen!

"(Money) is an excellent gift of God, answering the noblest ends. In the hands of his children, it is food for the hungry, drink for the thirsty, raiment for the naked. It gives to the traveler and the stranger where to lay his head. By it we may supply the place of a husband to the widow, and of a father for the fatherless; we may be a defense for the oppressed, a means of health to the sick, of ease to them that are in pain. It may be as eyes to the blind, as feet to the lame; yea, a lifter up from the gates of death." *From The Use of Money by John Wesley*

Gain all you can, without hurting either yourself or your neighbour...save all you can, by cutting off every expense which serves only to indulge foolish desire...and then, give all you can, or, in other words, give all you have to God." *From The Use of Money by John Wesley*

Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can. (Attributed to John Wesley)

FELLOWSHIP BREAKFASTS

Do you like breakfast? Would you like to fellowship with your friends from church? There are three groups that meet for breakfast on a regular basis.

The Men's Emmaus Alumni Group meets at the Hungry Bear restaurant every Wednesday at 7:00 am.

The Women's Emmaus Alumni Group meets every 1st and 3rd Saturday of the month at 8:15 am at the Smokehouse. Graduates of the Emmaus Retreat Program, or those interested in learning more, are welcome to attend.

An open Men's Fellowship breakfast also meets at Grandmother's Kitchen every Friday at 7:30 am.

A few months ago, the Trustees and 16 other churches within the area were approached by the Woodland Park Police asking us to develop a security plan and to work with other churches within the area, to develop training for these individuals on the security team. As many are aware, the Trustees have begun to lock the doors to the church 10 minutes after service begins. Trustees are stationed at numerous points within the church to allow late arrivals to enter. This is for the safety of the congregation. The Security Committee is entertaining numerous ideas for additional security. If you have concerns, please let us know!

Trustees: D Brown, Clas Thelin, Mike Snipes, Tom Fritz, Don Reinert, Jerry Burnham, Dan Meyer, Paul Theis.

WESTERN JURISDICTION MISSION CABINET ENDORSES ONE CHURCH PLAN

Grace and peace in the name of Christ to the people called United Methodist of the Western Jurisdiction. We are the Mission Cabinet of the Western Jurisdiction, composed of your bishops, Directors of Connectional Ministries, and Leadership Team Chair. We speak to you out of a deep love for Christ and Christ's Church, believing that the church should be "a home for all God's people, gathered around a table of reconciliation and transformation."

It is after much prayer, study and discernment that we share with you that we believe that the One Church Plan is the best way forward for the mission and ministry of The United Methodist Church. We stand with the Council of Bishops in their affirmation of this plan...

As children of God, we have travelled together with Jesus Christ, by the guidance of the Holy Spirit, to a place of full inclusion of all persons in the fellowship and ministry of the Church. We are committed to the full inclusion of LGBTQ persons in the church now and as we move forward.

At the same time, we recognize that the Annual Conferences, clergy, churches, and other ministry settings we serve are not all of one mind about these matters. We affirm our unity in Christ and commit ourselves to living together as one body, though we do not all understand God's will for the human family in the same way.

We believe this plan provides a vision big enough to hold the diversity that grows out of our theological task, creating generous space for us to live faithfully our conscience as we follow Jesus, holding to a covenant of mission that binds us together to make disciples of Jesus Christ for the transformation of the world.

You may read more about the One Church Plan and the other plans to be considered by the special called General Conference of our church by reviewing the following website and downloading the report of the Commission on a Way Forward located there:

MOUNTAIN VIEW TO HOLD CONSTRUCTIVE CONVERSATIONS ON HUMAN SEXUALITY BEGINNING OCTOBER 21 & 22

The General Conference of the United Methodist Church will meet in February of 2019 to discuss recommendations from our denominational Commission on a Way Forward regarding our denomination's current position on homosexuality. A recent survey of our own congregation discovered some differences of opinion regarding greater inclusion of homosexual persons in the life of the church while 28% of our congregation also indicated an interest in studying the issue further. To facilitate healthy conversation within our congregation, a series of Constructive Conversations on Human Sexuality will begin on Sunday/Monday October 21/22 and run weekly for four weeks, with each Monday session repeating the content of the previous Sunday session. These sessions will seek to create a safe place for members to discuss the issue of homosexuality in light of church teaching and denominational actions. The sessions will not seek to persuade persons to adopt a particular opinion on the matter, but will rather endeavor to promote unity over uniformity and understanding over agreement. Sunday sessions will occur at 8:45 am in the youth room/old sanctuary. Monday session will occur at 7:00 pm in rooms 105/106. Topics will include the importance of church unity, principles of biblical interpretation, and current views on homosexuality. All are urged to participate. Come with an open mind, a desire to learn, and a commitment to love others - including those whose views may differ from you own - just as Jesus loves them.

Dear Friends at Mountain View

Congratulations on reaching the 40th milestone. When my husband – Bill Woelfle- was assigned to minister to the congregation in 1985, you were just 7 years old. It was a joy getting to know the church that was there because the lay people saw a need and worked together to make Mountain View church a reality. The members came from diverse backgrounds, but had a common goal. There were so many talented, willing volunteers in every department and always "we can do this" attitude.

I will always think of you with heartfelt gratitude –

And you have my prayers and good wishes for a great celebration and many more years of service.

Phyllis Woelfle

I celebrate with you this day on your 40th anniversary. My memories of my years at Mountain View are some of my fondest in my 30+ years of ministry in the Rocky Mountain Conference. We were faithful to God and built community together.

As your pastor, I found fellowship and friendship. I thank you for this.

With all God's Best,
Rev. Glenda Ulmer (retired)

WORLD COMMUNION SUNDAY, OCTOBER 7 COMMUNION OFFERING

Around the globe, countless gifted and qualified people face financial obstacles that hinder them from preparing for the vocation God has given them, especially youth and young adults. For ethnic students who will be the first generation in their families to attend college, or for those people of color who haven't historically had access to resources that make higher education possible, the road toward education has often been unwieldy. What would it look like if the church today imitated Jesus' affirmation of the full dignity and God-given potential of all women and men—especially those who've historically been assigned to the world's margins? On World Communion Sunday your giving helps to provide scholarships for national and international graduate students whom God has gifted to learn and to serve.

The future will probably still hold a move to a lower altitude but I no longer require oxygen during the daytime. I have more energy and am able to get more exercise. Your concern and your prayers have been a blessing and we are very grateful. We love you. Annette and Tim Corson, 190 W Woodmen Road, Colorado Springs CO 80919
